

## Glades Prison Farm Produces Food For Other State Institutions

Photo by Larrick Studio  
YOU WON'T SEE MANY OF THESE THRESHING MACHINES around the Glades, however, workers at Glades State Prison Farm find it quite easy as they harvest their dry bean acreage. While not in use for practical work in the Glades, the prison farm is in its regular harvest, the result of the beans for resale to state institutions. L. P. Parson, Industries Supervisor at the prison, points to a forkful of beans as they enter the ancient threshing machine. Watching the operation are (l-r) J. G. Parrish, farm foreman, and Ernest Amedeo, canning plant manager.

### Old, Old Carols Still Ring Out At Yuletide

Christmas season — clear, crisp nights/stars and sparkling lights . . . and Christmas Carols ring out across the land. And here in the Glades we hear "his Christmas have been handed down generation to generation, century by century."

Changes have been made in words and music according to the changing times, but most of the Christmas songs will be just as you might have heard them in the days of your grandfather.

According to the Biblical story of Christmas, the first carol was sung by a chorus of angels — "Glory to God in the Highest."

The early settlers in America brought many of the old

### CONSTIPATED? Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a way of life according to something that aids nature and helps regularity. "Establishing regularity is the daily duty of a physician," he said. "Medical men now look to regularity daily under medical supervision. In this, the physician has taken over, helped establish regularity. So, for those over 35, it is important to try SERTUMAN, powder or granular.

**SERTUMAN**  
"Read It Backwards"

European carols to our country, thus giving us a heritage of songs as no other country in the world can boast.

"Adeste Fideles" which we also sing with the words "Come All Ye Faithful," long a traditional hymn, has an unknown history.

"Away in a Manger," Luther's hymn, is said to be from Germany. "God Rest Ye Merry, Gentlemen" from England.

"Silent Night, Holy Night" from France. "From Austria came "Silent Night, Holy Night."

Americans, too, have contributed to our rich heritage of Christmas songs. The Rev. Dr. John Edmund H. Sears composed "It Came Upon a Mid-night Clear."

Perhaps the best known and most beloved of all American carols, "O Little Town of Bethlehem" was written in 1936 by Phillips Brooks, a young Episcopalian minister.

The carol, some 15 years ago, was composed by Dr. John Edmund H. Sears, a young Episcopalian minister.

The gay holiday song, "Jingle Bells," has been popular for almost a century and was composed by an American, James Pierpont.

Our big collection of Christmas songs, hymns and carols express the friendly, joyful spirit of the season . . . and are loved by all!

### Healing Power Of Prayer Cited By Glendon

Spiritual prayer is bringing healing, comfort, and restoration, according to Rev. Richard L. Glendon, supervisor of the Glades Prison Farm, which is located in the Glades, 10 miles west of Belle Glade. The prison farm manager, who has been with the prison for nearly 12 years, pointed out that Rev. J. G. Parrish, farm foreman, and Ernest Amedeo, canning plant manager, are two men with a total of over 24 years' experience in the business at the prison.

J. G. Parrish, in 1942 as a farmer, has been farm foreman at the prison for nearly 12 years, and foreman of the Glades prison farm for the past period I through November 30. That this total is nearly three times the volume can be attributed to the fact that in 1958 is the peak of his efficiency.

"Much of the credit for the actual production goes to the 'oldtimers' on the job," L. P. Parson, supervisor of the inmates of the Glades Prison Farm, said in a recent issue of the Glades Herald.

Parson's job entails the supervision of some 550 acres this fall; most of it planted to field corn, green beans, and pumpkins. Next spring the prison hope to harvest abundantly from 1,070 acres of field corn, tomatoes, beans, black-eye peas and pumpkins. According to Amedeo, Parson oversees the planting, spraying, and harvesting in each instance.

Turned over to Amedeo, the result of the harvest is canned or packaged. Using about 30

danger of personalizing the healing power of effective prayer.

"You, who are familiar with the Bible," he said, "will realize that there was always the tendency of the people to personize the power to see it as God's special dispensation for some particular individual."

The result was that they failed to grasp the all-important fact that the power of prayer is available to all, including the sick.

He held that the Comforter promised by Christ Jesus (John 14:16) is available today to each of us to know how to pray as Jesus prayed.

"The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible. God has an spiritual understanding of man, an unselfish love," he said, quoting from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

In concluding his lecture, he emphasized that the healing Comforter promised by Christ Jesus is still here.

"The Comforter," he said, "is the Science of Life as taught and demonstrated by Jesus. This

includes Science, Christ, Truth, and is revealed to the world.

Christian Science, Being Science, it can be understood and proved. By enabling us to better understand God, it renders our prayers effective."

Efficient use of the state property at Glades State Prison Farm at Belle Glade for growing purposes and efficient management of the institutions can help the state to realize easily more money in the tax payers' pockets as the farm produces foodstuffs for resale to other state institutions.

Parson pointed out that the growing and harvesting and the canning procedure are two men with a total of over 24 years' experience in the business at the prison.

Parson pointed out that during the canning season, the plant is turning out 627 cases per day.

They'll begin to can Irish potato, carrots and beets next.

They'll begin to can beans, carrots, red kidney, Great Northern and Navy beans. A 1930

model thresher provides ample service to the farm.

Crops are gathered generally by the majority of the prisoners in lines of modern machinery and are used by the commercial farmers. All other farming methods are similar to commercial farmers.

The farm works closely with Everglades Experiment Station.

Parson pointed out that it isn't unusual to see large-scale trial plots being grown under the supervision and direction of experimental station personnel.

The remaining operation of Glades State Prison supplies 38

road camps and 23 state institutions. Charges for the products are credit from the state government to Glades State Prison Farm. The same credit is given each time since the state is unaffected by fluctuating market conditions.

Assisting Parrish with his effective and efficient team, and work is W. A. Whaley, J. L. Pen, and Amedeo's assistant, Col. Col. have been of benefit to the public. These men are an efficient team.

## Ladies Aid Society Plans Rummage Sale

The Third in a series of Advent messages will be delivered by Rev. Dr. Peter's Lutheran Church Sunday Dec. 13 by the vicar, Rev. Aug. Auger Koerber.

The Ladies' Aid Society has arranged to hold a Christmas service on Dec. 19th. Arrangements are in the hands of Mrs. Paul Kirchmann, who will be assisted by members of the young people's society of the Lutheran League headed by Judy Green and Miss Nancy Flehs.

The members of the Young People's League have adopted the Christmas seals of the Wheatridge Foundation, a project of the Walther League, an international association of Lutheran young people.

Read John 1:11-14

As many as received him, to him gave he power to become the sons of God, even to those who believe on his name. (John 1:12)

It was nearly midnight when my plane circled over the dark, a field spread out like a vast checkerboard of light in the darkness. I thought of the thousands of people under the stars, waiting for my coming. Then I rejoiced that there was one family expecting me and waiting for me with a warm welcome.

It was Christmas Season. We were also God's giving His only begotten Son to a world that paid so little attention to His coming.

In this generation, Christ is looking for homes where people are unconverted. He longs to enter our hearts that He may forgive our sins and change our darkness into light. We must make the choice. We may either crowd Him out or open the door.

Where most souls will receive Him still,

He comes to Christ enter.

PRAYER: Our heavenly Father, we praise Thee that

Thou hast come to abide in our hearts. Through faith in Thy Son Jesus Christ, keep us ever in fellowship with Thee. Help others to make room for Christ that they may know His peace. We pray in the name of Thy son, our Redeemer, Amen.

THOUGHT FOR THE DAY.

I will keep my heart's door open to Jesus.

Laura S. Emerson (Indiana)

is a sign that God is always concerned about us. This is a time for meditation, worship in the home and in the church, creating anew the spirit of friendliness and good will.

It is a time of business rather than holiday. If we are sincere about the Christmas spirit then we will honor God through Jesus in simple, gay, sincere, and cheerful rather than gaity in riotous celebrations, gaudy giving or selfish pleasure.

Carol singing was also pre-

ferred by youth—Felicity girls, Mary Lou, Jacqueline, Wolf, Francie Ball, and Beverly Hill.

The refreshment table was decorated with a Christmas theme with a white cloth centered with an artistic silvered arrangement of pine cones and berries with a topper. Coffee and fruit cake were served by the hostesses Mrs. Frank C. Anderson and Mrs. R. E. Watson.

A number of articles had been taken to the mental hospital at Hollywood and announced Dec. 10 is U. N. Day. The circle count was won by the Aramina Circle.

### Mrs. Vera Jones Woman Of Month

**Business**  
and Professional  
women have  
been chosen  
as the  
Woman of the  
Month" for  
November a  
most deserving and well known  
woman Mrs. Vera Jones. Xi  
Chapter, Beta Sigma Phi  
members chose Mrs.  
Jones as their choice as the  
outstanding woman.

The BPWC's first  
Woman of the Month is Mrs.  
Ruth Grindstaff. This woman  
will be chosen from nominations  
sent in from organizations  
and clubs in the community.  
At the end of 12 months  
a Woman of the Year will be  
selected from the 12 candidates.

Mrs. Jones was chosen for  
this honor in that she is no  
stranger to Belle Glade having  
worked in the City Hall for  
many years offering her services  
to the taxpayers and others coming  
about city business. Her willingness  
and cooperation in working  
with the various groups of the  
community is most noteworthy.

A member of the Civil Service  
Board by appointment of  
the City Commission, Mrs. Jones  
is a most popular woman, as well as  
the first city employee to serve  
in this capacity. She is secretary  
to the Civil Service Board  
by election of its members.  
Chairwoman of the Credit Committee  
(a most important committee)  
of the Municipal Credit Union  
and a past director of the  
Women of the same organization,  
which was formed by and operates  
under the direction of City Employees.

Mrs. Jones is a member of  
the Belle Glade Professional  
Women's Club and is president  
of St. Philip's Catholic Church of  
which she is a member.

Jimmy Cason of Nichols, Ga.,  
is the new assistant, technician  
at Belle Glade Memorial Hos-  
pital.

Methodist Attend  
Florida Conference

D. N. DeShawn, Mrs. Bill  
Pennington, Mrs. Frank DeGraw,  
Mrs. A. Mathis and Mrs. O.  
Smith of Lake Harbor Community  
Methodist Church attended the  
Florida Annual Conference  
of the First Methodist Church in  
Fort Pierce on Thursday.

Dr. Joseph D. Blince of Engle-  
wood presented the sermon.

This is your last enrollment  
and every person was called  
upon to make a total enrollment  
of the "total self" to Christ.

Ever Christian will call upon  
the last person to be enrolled  
because Christ gave His all for  
us. The goal will be to reach  
every unenlightened person for  
Christ.

Dr. Robert C. Helmes spoke on  
"Adventure in Missions." Dr.  
H. Melton Ware was speaker  
on "The Work of the M.M.C." and  
the Rev. Merrill R. Collier was  
speaker for "Missions in Cuba."

The business session was held  
in the afternoon.

In progress in every area results  
only from the fact that there  
are some people who  
believe in the what we  
know to be right. Can't be  
done.

## Kat Weeks Wins Golfing Title

Roy Kimberly, pro at the Belle Glade Country Club announces the winner in the Ladies' Christmas Tournament is Kat Weeks. A single robin mated elimination play was held between three players and second place winner Mrs. Rapley Weeks and third Louise McWhorter.

In the men's division in handicap play Paul Waggoner will play Hagan Potters and in the championship play, Jim Goff and J. W. Mosley will battle for the title.

Due to business and the holidays the dinner and presentation of awards will be held after Christmas.

## Exchange Of Cards Over Century Old

One hundred and sixteen years ago, the English educator and art patron Henry Cole, asked his friend J. C. Horsley, an artist of the Royal Academy in London, to design a card for the Christmas season. On it, he wrote the now classic greeting, "A Merry Christmas and a Happy New Year to You." He enclosed a thousand hand-tipped copies, which were then hand-tipped by a professional "colorer."

That December, 1843, the month, Cole posted some of the cards to his friends and offered others for sale in a London stationers shop. These, in all probability, were the very first Christmas Cards ever printed.

Christmas Cards appeared in America only shortly thereafter. Their early origin is uncertain, but one story gives credit for the first Yule greeting to a New York City dry goods merchant, R. J. Pease of Albany.

Pease, designed, printed and mailed one of the first examples of American Christmas Cards in an advertisement for his goods.

The "Father" of the American Christmas Card is Louis Prang, a German immigrant who established his lithography shop in Boston in 1874. Soon he was selling his cards all over the United States for several million each year.

Prang's card appeared in as many as 20 colors, very few

Mrs. DeGraw Hostess  
of Beta Xi Chapter

Members of Beta Xi Chapter of Belle Glade Phi Mu recently held their committee assignments for the forthcoming Christmas party, Dec. 12 at the Country Club by the president Mrs. Chas. Burkett. The group met at Mrs. DeGraw's home sponsored by Mrs. A. B. DeGraw.

The program was presented by Mrs. Mendel Luce on "People," which was quite interesting. An announcement was made of the next meeting, a secret sisters party on Dec. 17 at the home of Mrs. Robert Abel, with Mrs. Margaret Ferguson in charge of program.

Refreshments were served by Mrs. DeGraw to Mrs. Robert Abel, Mrs. Chas. Burkett, Mrs. Chas. Darrow, Mrs. D. P. Pamphill, Mrs. Robert Gressinger, Mrs. Sam Knight, Mrs. Luce and Mrs. Ted Roman.

them used Christmas scenes, but instead were illustrated with designs of spring flowers, harvest scenes and pictures of children playing.

From that small beginning in Boston grew a demand for cards that is so great today, that many large companies work year 'round to turn out billions of cards of every description.

### 'Official' Date

### Of Christmas Set

### In 4th Century

The history of the Christmas observance is one that has intrigued clerical and lay scholars for countless years.

Recent research has found that as far back as the fourth century, when Christians first observed the Mass of Christ, following the custom of the church in observing the feast of the martyrs, there was a date of the celebration back to earlier eras.

The earliest Christian calendar, "Chrysostom's Menologion" or as in old English "Christes Mass" or the Mass of Christ, following the custom of the church in observing the feast of the martyrs, there was a date of the celebration back to earlier eras.

The good Bishop was granted permission to postpone the Mass to a date of the birth of Christ.

It was not until St. Cyril, Bishop of Jerusalem, set out to affirm one day for the celebration that Christ's Mass was changed from its previous celebration in the springtime (as we now observe Easter).

The good Bishop was granted permission to postpone the Mass to a date of the birth of Christ.

After many years had elapsed for accurate accuracy, and after discovering various contradictions of calendars, astrological and astronomical calculations, the date for the celebration of Christ's Mass was set by the Church for December 25th.

So it is that since the year 350 A. D., this date has been observed as the date of the Saviour's birth.

Members of the Greek, Russian and Ukrainian Orthodox Church celebrate this on January 6th.

To this day, the festival of Christmas still occurs on many different dates throughout the world.

December 6th is the day when Christmas is observed in most Western European countries and marks the beginning of a long, happy holiday season.

# Changes Ordered For City's Communication System

Due to recent rulings of the Federal Communications Commission, Belle Glade Police De-

partment will be operating on a separate frequency or channel while a City Public Works frequency will be put into operation for the necessary communication by radio.

The city's fire department, street and water department and other radio vehicles are now operating on the same frequencies with the police.

Howard Bair, who maintains the city's radio transmitting and receiving equipment, told The Herald that the FCC ruling had two effects on the city's radio communication system.

For one thing, the police FM band, 158.21, along with other similar bands has been narrowed to 15 kilocycles, reducing the station's deviation from the channel 15 kilocycles to an amateur minus five kilocycles.

Due to the increasing number of channels for amateur use, the city is now designating persons for operation of stations within what is known as the "guard" channels. A guard channel is normally that space on a radio band between one station's kilocycle frequency and another.

The second part of the ruling specifies that only the police departments may operate on police frequencies. This means

### Minimum Rice Supports

The national average support price for 1960-crop rice, if marketing quotas are approved in the December 15 referendum, will be no less than \$4.36 per hundredweight, Sam, Schooley of the county ASC Office announced today. Tuesday, December 15, is Farm Referendum Day.

The voting for Rice and Peanut Marketing Quotas will take place at the Glades Office Building in Belle Glade. The polls will be opened promptly at 8:00 o'clock a. m. and closed promptly at 5:00 p. m.

After many years had elapsed for accurate accuracy, and after discovering various contradictions of calendars, astrological and astronomical calculations, the date for the celebration of Christ's Mass was set by the Church for December 25th.

So it is that since the year 350 A. D., this date has been observed as the date of the Saviour's birth.

Members of the Greek, Russian and Ukrainian Orthodox Church celebrate this on January 6th.

To this day, the festival of Christmas still occurs on many different dates throughout the world.

December 6th is the day when Christmas is observed in most Western European countries and marks the beginning of a long, happy holiday season.

Dalton L. Alford was released from the U. S. Navy October 5 at San Francisco, Calif., and has returned to Belle Glade. Mr. Alford served in the U. S. Navy for three years and served in the Great Lakes Naval Training Center for the past two years as a student in the USS Ranger on a world cruise. He is presently working on a ranch here for Miami Soi Co.

An orientation on the project and future plans were received for the county-wide delegation by Mrs. T. C. Tamm, Mrs. Tamm is a member of the Pahokee West Palm Beach League which is spearheading the project and which has already made a substantial contribution to the building program.

Object of the organizational

meeting was to discuss ways

to formulate plans for creating

Junior Museum Guilds in

all communities in the county

in an effort to stimulate interest

in the project and to build

area-wide membership in the

program.

Represented at the meeting

was Mrs. Delroy H. Nash, Presi-

dent of the Junior Museum

of the Pahokee West Palm Beach

League.

Present were Kandie Jo Dunlap,

Honorees were the honorees

of their mother, Mrs. Janueta Croft

and Mrs. Bess Keesee.

Transferred to Company 3rd

Training Center for eight

days before last week.

When asked about army life

and was it glad to be out

Lawrence replied, "It good to

be out but I like my buddies

very much especially my

name Charles Thomas hailing

from Florida. I enjoyed receiving

the Mail Gram Home

from my mom and dad.

When asked about his

future he said, "I am

going to college next year

and will be going to

the University of Florida.

He left August 8 for Ft. Dix, N. J.

graduated from this army school

## IN MEMORY OF "LITTLE CINDY"

A tiny pair of dancing feet

And eyes of Heaven's blue

A little girl with a kindred

"Little Cindy" we loved you!

We only had you two short years

But words can never tell

The love and happiness you brought

With your kindred hearted

You'll awaken here, in Paradise

You'll hear Him, call your name

And we'll loved you dear, so much

With all your love, just the same

We'll see again those yellow curls

And precious little smile

So rest in Peace, our darling one

For just a little while

The love and happiness you brought

With your kindred hearted

Will help, our grief to bear

And so we leave "Our Cindy"

In His kind, loving care.

## 'Commercial' Or Not --

## Christmas Means Giving

Today we hear many people say that Christmas has been "commercialized," and has lost its true meaning. Has it?

Is it wrong this one time in the year to make the dominating theme one of giving rather than receiving? Giving has always been the major part of the Christmas theme . . . the giving of joy and happiness to others.

Giving will remain one of the great joys of Christmas for all time to come. The idea has survived through centuries and nothing will ever stop it. After all, brings more joy than seeing people happy?

The big problem usually is, how to give without giving away. Of course, everyone likes to receive many gifts, as much as he'd like to give as many as possible.

Sometimes, however, the budget seems not large enough to give something that makes a good, solid year-round gift.

Christmas clubs and - of course - time payment plans are one solution of the problem.

Really, it will give you much happiness to see children and others open gifts and express in their words and demeanor.

Be grateful that in this country, we are able to "commercialize" this season with buying and giving as many gifts as we can afford. It is, essentially, the Christmas Story.

Jack be nimble, Jack be quick - watch the road and not that chick. — Chicago Air Corp.

ALL-AMERICAN RED HEADS

### All American Red Heads Net Pros

### Will Play Belle Glade Team Dec. 19

Belle Glade will play host to our All-American girls' basketball team, the All-American Red Heads, Dec. 19 at 8 p.m. at Belle Glade High School gymnasium.

They will be opposed by a team known as Maynor's Minute Men in a regulation basketball game.

The Red Heads make a habit of playing men's teams, and they beat them quite regularly.

They are a team of well-trained, well-coached girls.

Basketball, the Red Heads have been seen by more than seven million fans in the United States, Canada, Mexico, Alaska, and Philippines Islands.

Proceeds benefit the school's athletic department.

They've been playing that way for the last six seasons.

Featured in national magazines from time to time, the Red Heads appeared on the Ed Sullivan Show, the program last year.

They will be opposed by the All-American Red Heads.

Maynor's Minute Men were so named as they go — because most of them are expected to last much longer.

More information about team members will be available next week. Admission will be \$1.00 for adults and 50 cents for children and students.

Proceeds benefit the school's athletic department.

When I came to Florida over 40 years ago Jacksonville was Florida's largest city with Tamiami, poor second. We used

to think of the "Gateway City" as "Big Jax" and it was big compared to other Florida cities.

Tampa was a country town in comparison and Miami hardly more than an overgrown fishing village and tourist resort. A man from Tampa or Jacksonville or Miami was a courageous undertaking and only the brave and daring could make the trip in a single day.

Particularly in the early days cars were few and traffic was light. Then came improved roads, more and better cars and more people. The traffic grew to greater with ease and comfort. Miami always on the beam began an energetic cam-

paign to attract more visitors. They came in ever increasing numbers, among them men of wealth and visitors who poured their money and energy into the state, primarily in the Miami area, changing the picture to give Miami the No. 1 spot with Jacksonville taking second place.

Now it appears that neither Jacksonville nor Tampa can catch Miami but they are growing at an amazing rate.

Areas of surrounding developed areas gave Tampa a tremendous boost a few years ago, placing her even if not ahead of Jacksonville from a population standpoint.

Now Jacksonville is launching a \$10 million riverfront improvement that is so ambitious it promises to give the city a face lift that will make it unique. It is a great project and the waterfront so charming and attractive as to become a real attraction.

First phase of the program saw the four block stretch cleared up, new bulkheads constructed and a \$4 million parking lot built with accommodations for 2,000 cars.

Plans now call for a magni-

cent river front park as site for a new 15 story City Hall to be built at a cost of about \$6 million. Other improvements on the waterfront include the Duval County Court House which cost \$8 million. The Peninsula Land Company has moved its headquarters to Jacksonville and built a home office building costing two and one half million, the Florida CCA located its new building along the river and the Atlantic Coastline Railroad is moving from Wilmington, N. C. to the Gate City and is building a 17 story headquarters building and a new 10 story Baptist hospital costing another \$3.5 million, all of which transform the old eyesore into a magnificent river front. We that could well be the envy of any city.

And, as Mayor Burns likes to emphasize, everything undertaken has been accomplished by government, local or private enterprise without one penny of federal money, nor have any general revenue bonds been issued.

Between the northern side of the Acosta bridge and the Main Street bridge the city retains some 16 acres of choice riverfront which it plans to develop as a park, with lighted fountains and a river front promenade.

You might say that all this improvement was sparked by the urgent need for offstreet parking for the解决 the major problem that led to the development of the water front.

No man is rich whose expenditures exceed his means, and no one is poor whose incomings exceed his outgoings.

### Gifts That Are Mailed

### Should Be 'Good Travelers'

If it's not, wrap it in your gift paper. Protect the fancy wrapping bows and frills with corrugated cardboard or a swash of tissue paper.

Select the gifts with a strong corrugated cardboard.

Pack the contents tightly. If the items in the box shift around, the post office will refuse to mail your package.

Packages going to foreign countries MUST be sealed. Domestic mail packages MAY be sealed but they must bear a label which says "May be opened for postal inspection."

Use strong, plain, new wrapping paper. Tie large or heavy packages with enough string to hold the package both ways at each twist.

Use two printed mailing labels. Place one each side of package. Be sure to print your and COMPLETE address of person the package is going to. Don't forget your own name and address.

Take your time when print-

ing names and address. Don't make things difficult for the

mail man and the people in the post office.

Above all . . . don't let your Christmas gifts wind up in the dead letter office!

**Cub Scouts Ready  
For Pack Meeting  
Tonight At 7:15**

The first Cub Scout Pack meeting of the year will be held Thursday night, Dec. 1 at 7:15 at Jim Williams' home. Jerry Hollingsworth, former pack master, will be in charge of meetings. Since Mr. Hollingsworth's resignation last year, the cub pack has been without a pack master, and anyone interested in this worthwhile work with the cubs may contact Mr. Hollingsworth or Mrs. Clarence Kidder.

**Den No. 1 Cub Scouts** met with their Den mother, Mrs. Clarence Kidder on Tuesday evening at 7:15. The theme which is "On Your Best" which means in doing your best, you are always helping others as well as yourself.

The meeting was opened with a skit to put on at the pack meeting Thursday night. Jerry Williams opened the meeting with the flag ceremony, which was one of the requirements for the flag.

Wayne Wood Den Chief helped the boys in skills of climbing, tree to the height of 15 ft. and the iron bar which is one of the achievements.

Refreshments were served by Jerry Williams. Assistant Den mother for the month was Mrs. Jim Williams.

**Den No. 7 met** at the home of Mrs. Bruce Williams, Den Mother Monday afternoon. The girls brought Christmas decorations and a gift for each girl bearing a bough of a pine tree, and are also working on another project for Christmas.

They also discussed the pack meeting. Guests attending were Randy Fearn, Jeff Smith, Larry Williams, Gerald Watson, Dale Greer and Charles Ruff.

**East Lake Begins  
Season With Win**

East Lake High School at Parkers opened its 1959-60 basketball season in Class B competition with a 10-point win against Immokalee. Dec. 3 began a 16-game schedule for variety and girls teams, according to Coach Oliver Davis.

The Hawks, who had a new classification from a C to a B rating last year because of size, they'll play only AA club, Club 100, Sons of Bells Glade.

East Coast and Atlantic Number scored ten points each Thursday as the variety won 18-17 from Immokalee.

### Merchants' Division Gets It Done

When the Merchants' Division of the Belle Glade Chamber of Commerce was formed, two committees were appointed for separate funding of activities deemed necessary by the merchants. An action committee, as it was called, sought to provide greater liaison of thought between the merchants and the city commission.

The action committee, in particular, was making high in both areas of activities, the organization appears to be an initial success. Already the action group has met with success in that the council has accepted various recommendations from the group regarding street construction and ordinances for the regulation of fake sales. Comprehensive ordinances are being studied by a subcommittee of the merchants' division.

Also, by now, we have seen the results of the work by the "Christian" planning group which sought a bond of power to the center of the city when a Christmas seal for youngsters was held. In addition, this committee solicited and arranged a shopping circular which reached thousands of homes to present the many woes of the local merchant to the eyes of the buying public.

The results of the action committee's work are a feeling of "togetherness" as it might be called. An added effort from merchants dealing in two vital areas of activity, civic government and civic pride in the establishment of an effort to encourage local buying for Christmas.

Local business areas are expanded. Civic interest can be generated to bring greater participation in local government. Merchandising interest can be enlarged in order that more merchants can be included in forthcoming sales promotions. More prior planning of activities and drives will bring greater scope to the accomplishment of unified effort.

### We'll Take His Word For It

The president of Independent Grocers Alliance, Don R. Grimes, cited 34 years experience as a basis for the statement that no advertising manager is comparable to the press in selling at the retail level.

"It wasn't for the advertising columns of newspapers, we never could have built IGA to the prestige level it now holds in the food selling field," he said.

"In 1960, regardless of what competition does, let us concern ourselves with helping our customers buy, instead of trying to sell them," he told a seminar of advertising managers.

Grimes criticized one-shot ads and advised repetition for effectiveness.

"You'll notice he said 'Help them to buy' not sell them. Through our advertising columns, the merchants of Belle Glade are providing you with ideas and suggestions on what to buy. They're saying, 'Come see us, and let us help you spend your dollars wisely.'

Through the incoming Christmas shopping season, more and more business folk will be listing their services and goods for sale. Consult the advertising columns where your budget is large or small.

And, Mr. Grimes, if you haven't already learned the lesson of food executives mentioned about continuous newspaper advertising, take his hint, and let The Herald help you to aid potential customers by properly displaying your merchandise before the public.

### TB Sales Report For Third Week

Christmas Seal booth sales in the county have boosted the total of the 53rd Annual Christmas Seal Campaign to \$23,435.28 at the end of the third week. Dr. E. S. Shubert, County Christmas Seal Campaign Chairman for the Palm Beach County Tuberculosis & Health Association said today.

Bell Glade is interested in controlling TB. It is grateful to the hundreds of volunteers who are manning the booths and to all who have contributed thus far and helped in any way to make the campaign successful, Mr. Shubert added.

Reminders to those persons who have not yet turned in their Christmas Seal letters are being prepared. Mr. Roberts pointed out that the processing of returns will be halted until all returns are received. He urged those who receive reminders though they have contributed recently, to excuse them and regard them as a "Thank You" note.

Totals from the towns in the Glades are: Pa-hokee, \$148; Loxahatchee, \$45.00; Belle Glade, \$339.00; Lake Harbor, \$17.00; South Bay, \$10.00; Canal Point, \$112.00; Pelican Lake, \$8.00.

### State Population Growing Rapidly

Within five years, Florida will surpass Massachusetts in population, says Milton Weir, president of Arvida Corp., one of Florida's largest real estate companies. By 1970, Weir, by 1970, will also be vying for the top position in the nation in terms of per capita dollar production, according to Weir.

Weir bases his predictions on U. S. Census Bureau estimates when he says Florida will have a population of 10 million between 1965 and 1970. Florida residents now number approximately 4,500,000 and are increasing at the rate of 225,000 a year.
